STAT

7D29   H(

Paragraph 5 of the attached memo placed
the requirement that DD/S prepare or amend
the Regulations to establish a special com-
munications procedure.

I believe in our last conversation on this,
you indicated that the desired procedure
could be satisfactorily established without
issuance of a Regulation and that you would
take the matter up with the Cable Secretariat.

If this procedure has been established and
is working satisfactory, please let me know,
and I will cancel the requirement for a
Regulation.
